De Pere, WI - MJGUIDES.COM, one of the nation's fastest growing online travel sites and city guides, is happy to announce the winners of the 2009 MJ Guides' America's Favorite Wings Competition. This past June, MJ Guides reached out to the public seeking nominations for America's favorite restaurants that serve buffalo style wings... and America responded. In total, over 1,000 nominations were received for a total of 356 restaurants across thirty states. Following that nomination period MJ Guides opened the voting polls. This competition also represented the introduction to the site's Custom Travel Guides function, which allows users to create a profile...and then develop a travel guide with only those restaurants, hotels, airlines, attractions, etc. that they would like to use on their trip. Users can now develop and print out their custom travel guide for free, and at the end of November will be able to share all of their travel photos on the site.
